

## **Ministry of Helps Organizational Pillars**

### **Magnification**

Magnification signifies the exuberance, and celebratory excitement with which we celebrate our Lord and Savior Jesus Christ. The ministries that are housed within the “magnification pillar” both magnify Christ and edify the local church body through a variety of artistic and media-laden expressions of worship.

150<sup>th</sup> Psalms

### **Membership**

Ministries within the “membership pillar” are designed to provide both current and prospective members of the Believers Temple Word Fellowship Church, with both service and social outlets within this local church body. These ministries are focused on caring for people and providing outlet opportunities that will assist the individual with assimilating into the larger church body.

Hebrews 10:23-25; 1<sup>st</sup> Corinthian 13

### **Ministry**

Ministry is best defined as service. As such, the Believers Temple Word Fellowship Church recognizes and embraces both the need and opportunity to serve its membership through a variety of specialized spiritual development offerings that are specifically designed to strengthen and develop the whole person throughout the many transitional stages of their spiritual journey. These ministries are designed to provide spiritual weaponry that will assist the believer in both understanding and applying Gods word in their world and in every facet of their lives.

Mark 16:15; Matthew 28:19, 20; 2<sup>nd</sup> Timothy 4:21; Matthew 25:31-40

### **Maturity**

Maturity denotes growth; the act of becoming, and the action of a progressive evolvement that transitions an individual from one stage of life to the next stage of life. The ministries within the “maturity pillar” are designed to provide a foundational grounding in the critical growth areas of understanding, applying, and living the biblical prescription for life that is outlined in God’s word. These ministries support every stage of the believer’s growth and are designed to equip the believer with the tools and resources needed to become a sustained, stable, and active contributor in the body of Christ.

Luke 5:37-39; Romans 12:2
